The BASE6 Cube Series square work lamps offer uncompromised performance and energy efficiency in a compact, easy to install package. The Cube Series are designed to match the perfect LED and beam patterns, resulting in longer spot beam penetration utilizing 10W Hi-Lux LED's.

Available in Offroad and Marine configurations, they deliver the perfect light beam patterns for any application. Water and dustproof to IP69K, the Cube Series feature a super durable light-weight die-cast housing and polycarbonate lens, allowing for worry-free operation in even the toughest conditions.
